
**7. FOREST RESOURCES CONSERVATION AND SHORTAGE
RELIEF ACT OF 1990**

[As amended through December 31, 1996, P.L. 104-333]

7. FOREST RESOURCES CONSERVATION AND SHORTAGE RELIEF ACT OF 1990

TITLE IV—EXPORTS OF UNPROCESSED TIMBER

SEC. 487. [16 U.S.C. 620 note] SHORT TITLE.

This title¹ may be cited as the “Forest Resources Conservation and Shortage Relief Act of 1990”.

SEC. 488. [16 U.S.C. 620] FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress makes the following findings:

- (1) Timber is essential to the United States.
- (2) Forests, forest resources, and the forest environment are exhaustible natural resources that require efficient and effective conservation efforts.
- (3) In the interest of conserving those resources, the United States has set aside millions of acres of otherwise harvestable timberlands in the western United States, representing well over 100,000,000,000 board feet of otherwise harvestable timber.
- (4) In recent years, administrative, statutory, or judicial action has been taken to set aside an increased amount of otherwise harvestable timberlands for conservation purposes.
- (5) In the next few months and years, additional amounts of otherwise harvestable timberlands may be set aside for conservation purposes, pursuant to the Endangered Species Act of 1973, the National Forest Management Act of 1976, or other expected statutory, administrative, and judicial actions.
- (6) There is evidence of a shortfall in the supply of unprocessed timber in the western United States.
- (7) There is reason to believe that any shortfall which may already exist may worsen unless action is taken.
- (8) In conjunction with the broad conservation actions expected in the next few months and years, conservation action is necessary with respect to exports of unprocessed timber.

(b) PURPOSES.—The purposes of this title are—

- (1) to promote the conservation of forest resources in conjunction with State and Federal resources management plans, and other actions or decisions, affecting the use of forest resources;
- (2) to take action essential for the acquisition and distribution of forest resources or products in short supply in the western United States;
- (3) to take action necessary, to meet the goals of Article XI 2.(a) of the General Agreement on Tariffs and Trade, to ensure

¹This title was enacted as title IV of the Customs and Trade Act of 1990. Public Law 101-382.

sufficient supplies of certain forest resources or products which are essential to the United States;

(4) to continue and refine the existing Federal policy of restricting the export of unprocessed timber harvested from Federal lands in the western United States; and

(5) to effect measures aimed at meeting these objectives in conformity with the obligations of the United States under the General Agreement on Tariffs and Trade.

SEC. 489. [16 U.S.C. 620a] RESTRICTIONS ON EXPORTS OF UNPROCESSED TIMBER ORIGINATING FROM FEDERAL LANDS.¹

(a) PROHIBITION ON EXPORT OF UNPROCESSED TIMBER ORIGINATING FROM FEDERAL LANDS.—No person who acquires unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States may export such timber from the United States, or sell, trade, exchange, or otherwise convey such timber to any other person for the purpose of exporting such timber from the United States, unless such timber has been determined under subsection (b) to be surplus to the needs of timber manufacturing facilities in the United States.

(b) SURPLUSES.—

(1) DETERMINATIONS BY SECRETARY CONCERNED.—The prohibition contained in subsection (a) shall not apply to specific quantities of grades and species of unprocessed timber originating from Federal lands which the Secretary concerned determines to be surplus to domestic manufacturing needs.

(2) PROCEDURES.—Any determination under paragraph (1) shall be made in regulations issued in accordance with section 553 of title 5, United States Code. Any such determination shall be reviewed at least once in every 3-year period. The Secretary concerned shall publish notice of such review in the Federal Register, and shall give the public an opportunity to comment on such review.

SEC. 490. [16 U.S.C. 620b] LIMITATIONS ON THE SUBSTITUTION OF UNPROCESSED FEDERAL TIMBER FOR UNPROCESSED TIMBER EXPORTED FROM PRIVATE LANDS.

(a) DIRECT SUBSTITUTION.—(1) Except as provided in subsection (c), no person may purchase directly from any department or agency of the United States unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if—

(A) such unprocessed timber is to be used in substitution for exported unprocessed timber originating from private lands; or

(B) such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands.

(2) Notwithstanding paragraph (1)—

¹Note regarding section 489. Section 302 of Public Law 101-121 (103 Stat. 741) provided as follows: "SEC. 302. No part of any appropriation under this Act shall be available to the Secretaries of the Interior and Agriculture for use for any sale hereafter made of unprocessed timber from Federal lands west of the 100th meridian in the contiguous 48 States which will be exported from the United States, or which will be used as a substitute for timber from private lands which is exported by the purchaser: *Provided*, That this limitation shall not apply to specific quantities of grades and species of timber which said Secretaries determine are surplus to domestic lumber and plywood manufacturing needs."

(A) Federal timber purchased pursuant to a contract entered into between the purchaser and the Secretary concerned before the date on which regulations to carry out this subsection are issued under section 495 shall be governed by the regulations of the Secretary concerned in effect before such date that restrict the substitution of unprocessed timber originating from Federal lands for exported timber originating from private lands;

(B) in the 1-year period beginning on the effective date of this title, any person who operates under a Cooperative Sustained Yield Unit Agreement, and who has an historic export quota shall be limited to entering into contracts under such a quota to a volume equal to not more than 66 percent of the person's historic export quota used during fiscal year 1989;

(C) a person referred to in subparagraph (B) shall reduce the person's remaining substitution volume by an equal amount each year thereafter such that no volume is substituted under such a quota in fiscal year 1995 or thereafter; and

(D) the 24-month period referred to in paragraph (1)(B) shall not apply to any person who—

(i) before the enactment of this Act, has, under an historic export quota approved by the Secretary concerned, purchased unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States in substitution for exported unprocessed timber originating from private lands;

(ii) certifies to the Secretary concerned, within 3 months after the date of the enactment of this Act, that the person will, within 6 months after such date of enactment, cease exporting unprocessed timber originating from private lands; and

(iii) ceases exports in accordance with such certification.

(b) INDIRECT SUBSTITUTION.—

(1) IN GENERAL.—Except as provided in paragraph (2), no person may, beginning 21 days after the date of the enactment of this Act, purchase from any other person unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if such person would be prohibited from purchasing such timber directly from a department or agency of the United States. Acquisitions of western red cedar which are domestically processed into finished products to be sold into domestic or international markets are exempt from the prohibition contained in this paragraph.

(2) EXCEPTIONS.—(A) The Secretary of Agriculture shall, as soon as practicable but not later than 9 months after the date of the enactment of this Act, establish, by rule, a limited amount of unprocessed timber originating from Federal lands described in subparagraph (B) which may be purchased by a person otherwise covered by the prohibition contained in paragraph (1). Such limit shall equal—

(i) the amount of such timber acquired by such person, based on the higher of the applicant's actual timber pur-

chasing receipts or the appropriate Federal agency's records, during fiscal years 1988, 1989, and 1990, divided by 3, or

(ii) 15 million board feet,

whichever is less, except that such limit shall not exceed such person's proportionate share, with respect to all persons covered under this paragraph, of 50 million board feet.

(B) The Federal lands referred to in subparagraph (A) are Federal lands administered by the United States Forest Service Region 6 that are located north of the Columbia River from its mouth and east to its first intersection with the 119th meridian, and from that point north of the 46th parallel and east.

(C) Any person may sell, trade, or otherwise exchange with any other person the rights obtained under subparagraph (A), except that such rights may not be sold, traded, or otherwise exchanged to persons already in possession of such rights obtained under subparagraph (A).

(D) Federal timber purchased from Federal lands described in subparagraph (B) pursuant to a contract entered into between the purchaser and the Secretary of Agriculture before the date on which regulations to carry out this subsection are issued under section 495 shall be governed by the regulations of the Secretary of Agriculture in effect before such date that restrict the substitution of unprocessed timber originating from Federal lands for exported timber originating from private lands.

(c) APPROVAL OF SOURCING AREAS.—

(1) IN GENERAL.—The prohibitions contained in subsections (a) and (b) shall not apply with respect to the acquisition of unprocessed timber originating from Federal lands within a sourcing area west of the 100th meridian in the contiguous 48 States approved by the Secretary concerned under this subsection by a person who—

(A) in the previous 24 months, has not exported unprocessed timber originating from private lands within the sourcing area; and

(B) during the period in which such approval is in effect, does not export unprocessed timber originating from private lands within the sourcing area.

The Secretary concerned may waive the 24-month requirement set forth in subparagraph (A) for any person who, within 3 months after the date of the enactment of this Act, certifies that, within 6 months after such date, such person will, for a period of not less than 3 years, cease exporting unprocessed timber originating from private lands within the sourcing area.

(2) REQUIREMENTS FOR APPLICATION.—The Secretaries concerned shall, not later than 3 months after the date of the enactment of this Act, prescribe procedures to be used by a person applying for approval of a sourcing area under paragraph (1). Such procedures shall require, at a minimum, the applicant to provide—

(A) information regarding the location of private lands from which such person has, within the previous year, har-

vested or otherwise acquired unprocessed timber which has been exported from the United States; and

(B) information regarding the location of each timber manufacturing facility owned or operated by such person within the proposed sourcing area boundaries at which the applicant proposes to process timber originating from Federal lands.

The prohibition contained in subsection (a) shall not apply to a person before the date which is 1 month after the procedures referred to in this paragraph are prescribed. With respect to any person who submits an application in accordance with such procedures by the end of the time period set forth in the preceding sentence, the prohibition contained in subsection (a) shall not apply to such person before the date on which the Secretary concerned approves or disapproves such application.

(3) GRANT OF APPROVAL¹.—For each applicant, the Secretary concerned shall, on the record and after an opportunity for a hearing, not later than 4 months after receipt of the application for a sourcing area, either approve or disapprove the application. The Secretary concerned may approve such application only if the Secretary determines that the area that is the subject of the application, in which the timber manufacturing facilities at which the applicant desires to process timber originating from Federal lands are located, is geographically and economically separate from any geographic area from which that person harvests for export any unprocessed timber originating from private lands. In making a determination referred to in this paragraph, the Secretary concerned shall consider equally the timber purchasing patterns, on private and Federal lands, of the applicant as well as other persons in the same local vicinity as the applicant, and the relative similarity of such purchasing patterns.

(4) DENIAL OF APPLICATION.—(A) Subject to subparagraph (B), and notwithstanding any other provision of law, in the 9-month period after receiving disapproval of an application submitted pursuant to this subsection, the applicant may purchase unprocessed timber originating from Federal lands in the area which is the subject of the application in an amount not to exceed 75 percent of the annual average of such person's purchases of unprocessed timber originating from Federal lands in the same area during the 5 full fiscal years immediately prior to submission of the application. In the subsequent 6-month period, such person may purchase not more than 25 percent of

SEC. 318. No funds appropriated under this or any other Act shall be used to review or modify sourcing areas previously approved under section 490(c)(3) of the Forest Resources Conservation and Shortage Relief Act of 1990 (Public Law 101-382) or to enforce or implement Federal regulations 36 CFR part 223 promulgated on September 8, 1995. The regulations and interim rules in effect prior to September 8, 1995 (36 CFR 223.48, 36 CFR 223.87, 36 CFR 223 subpart D, 36 CFR 223 subpart F, and 36 CFR 261.6) shall remain in effect. The Secretary of Agriculture or the Secretary of the Interior shall not adopt any policies concerning Public Law 101-382 or existing regulations that would restrain domestic transportation or processing of timber from private lands or impose additional accountability requirements on any timber. The Secretary of Commerce shall extend until September 30, 1997, the order issued under section 491(b)(2)(A) of Public Law 101-382 and shall issue an order under section 491(b)(2)(B) of such law that will be effective October 1, 1997.

such annual average, after which time the prohibitions contained in subsection (a) shall fully apply.

(B) If a person referred to in subparagraph (A) certifies to the Secretary concerned, within 90 days after receiving disapproval of such application, that such person shall, within 15 months after such disapproval, cease the export of unprocessed timber originating from private lands from the geographic area determined by the Secretary for which the application would have been approved, such person may continue to purchase unprocessed timber originating from Federal lands in the area which is the subject of the application, without being subject to the restrictions of subparagraph (A), except that such purchases during that 15-month period may not exceed 125 percent of the annual average of such person's purchases of unprocessed timber originating from Federal lands in the same area during the 5 full fiscal years immediately prior to submission of the application which was denied.

(C) Any person to whom subparagraph (B) applies may not, during the 15-month period after the person's application for sourcing area boundaries is denied, export unprocessed timber originating from private lands in the geographic area determined by the Secretary concerned for which the application would have been approved in amounts that exceed 125 percent of the annual average of such person's exports of unprocessed timber from such private lands during the 5 full fiscal years immediately prior to submission of the application.

(5) REVIEW OF DETERMINATIONS.—Determinations made under paragraph (3) shall be reviewed, in accordance with the procedures prescribed in this title, not less often than every 5 years.

SEC. 491. [16 U.S.C. 620c] RESTRICTION ON EXPORTS OF UNPROCESSED TIMBER FROM STATE AND OTHER PUBLIC LANDS.

(a) ORDER TO PROHIBIT THE EXPORT OF UNPROCESSED TIMBER ORIGINATING FROM STATE OR OTHER PUBLIC LANDS.—Except as provided in subsection (g), the Secretary of Commerce shall issue orders to prohibit the export from the United States of unprocessed timber originating from public lands, as provided in subsection (b).

(b) SCHEDULE FOR DETERMINATION TO PROHIBIT THE EXPORT OF UNPROCESSED TIMBER ORIGINATING FROM STATE OR OTHER PUBLIC LANDS.—

(1) STATES WITH ANNUAL SALES OF 400,000,000 BOARD FEET OR LESS.—With respect to States with annual sales volumes of 400,000,000 board feet or less, the Secretary of Commerce shall issue an order referred to in subsection (a) to prohibit, notwithstanding any other provision of law, the export of unprocessed timber originating from public lands, effective June 1, 1993.

Such order shall prohibit the export of the lesser of 400,000,000 board feet or the annual sales volume in that State of unprocessed timber originating from public lands.

(3) PROHIBITION ON SUBSTITUTION.—

(A) PROHIBITION.—Subject to subparagraph (B), each order of the Secretary of Commerce under paragraph (1) or (2) shall also prohibit, notwithstanding any other provision of law, any person from purchasing, directly or indirectly, unprocessed timber originating from public lands in a State if—

(i) such unprocessed timber would be used in substitution for exported unprocessed timber originating from private lands in that State; or

(ii) such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands in that State.

(B) EXEMPTION.—The prohibitions referred to in subparagraph (A) shall not apply in a State on or after the date on which—

The Secretary of Agriculture or the Secretary of the Interior shall not adopt any policies concerning Public Law 101-382 or existing regulations that would restrain domestic transportation or processing of timber from private lands or impose additional accountability requirements on any timber. lands across State borders, the effectiveness of rules issued and administered by the Secretary of Commerce pursuant to this title and the effectiveness of State programs authorized under subsection (d), and trends in growth and productivity in the domestic timber processing sector.

(c) FEDERAL PROGRAM.—

(1) ADMINISTRATION BY THE SECRETARY OF COMMERCE.—

(A) IN GENERAL.—Subject to subparagraph (B), the Secretary of Commerce shall, as soon as possible after the date of the enactment of the Forest Resources Conservation and Shortage Relief Amendments Act of 1993—

(i) determine the species, grades, and geographic origin of unprocessed timber to be prohibited from export in each State that is subject to an order issued under subsection (a);

(ii) administer the prohibitions consistent with this title;

(iii) ensure that the species, grades, and geographic origin of unprocessed timber prohibited from export within each State is representative of the species, grades, and geographic origin of timber comprising the total timber sales program of the State; and

(iv) issue such regulations as are necessary to carry out this section.

(B) EXEMPTION.—The actions and regulations of the Secretary under subparagraph (A) shall not apply with respect to a State that is administering and enforcing a program under subsection (d).

(2) COOPERATION WITH OTHER AGENCIES.—The Secretary of Commerce is authorized to enter into agreements with Federal and State agencies with appropriate jurisdiction to assist the Secretary in carrying out this title.

(d) AUTHORIZED STATE PROGRAMS.—

(1) AUTHORIZATION OF NEW STATE PROGRAMS.—Notwithstanding subsection (c), the Governor of any State may submit a program to the Secretary of Commerce for approval that—

(A) implements, with respect to unprocessed timber originating from public lands in that State, the prohibition on exports set forth in the Secretary's order under subsection (a); and

(B) ensures that the species, grades, and geographic origin of unprocessed timber prohibited from export within the State is representative of the species, grades, and geographic origin of timber comprising the total timber sales program of the State.

(2) APPROVAL OF STATE PROGRAMS.—

(A) PROGRAM APPROVAL.—Not later than 30 days after the submission of a program under paragraph (1), the Secretary of Commerce shall approve the program unless the Secretary finds that the program will result in the export of unprocessed timber from public lands in violation of this title and publishes that finding in the Federal Register.

(B) STATE PROGRAM IN LIEU OF FEDERAL PROGRAM.—If the Secretary of Commerce approves a program submitted

under paragraph (1), the Governor of the State for which the program was submitted, or such other official of that State as the Governor may designate, may administer and enforce the program, which shall apply in that State in lieu of the regulations issued under subsection (c).

(C) PRIOR STATE PROGRAMS.—Not later than 30 days after the date of the enactment of the Forest Resources Conservation and Shortage Relief Amendments Act of 1993, the Governor of any State that had, before May 4, 1993, issued regulations under this subsection as in effect before May 4, 1993, may provide the Secretary of Commerce with written notification that the State has a program that was in effect on May 3, 1993, and that meets the requirements of paragraph (1). Upon such notification, that State may administer and enforce that program in that State until the end of the 9-month period beginning on the date on which the Secretary of Commerce issues regulations under subsection (c), and that program shall, during the period in which it is so administered and enforced, apply in that State in lieu of the regulations issued under subsection (c). Such Governor may submit, with such notification, the program for approval by the Secretary under paragraph (1).

(e) PRIOR CONTRACTS.—Nothing in this section shall apply to—

(1) any contract for the purchase of unprocessed timber originating from public lands that was entered into before—

(A) September 10, 1990, with respect to States with annual sales volumes of 400,000,000 board feet or less; or

(B) January 1, 1991, with respect to States with annual sales volumes greater than 400,000,000 board feet; or

(2) any contract under which exports of unprocessed timber were permitted pursuant to an order of the Secretary of Commerce in effect under this section before October 23, 1992.

(f) WESTERN RED CEDAR.—Nothing in this section shall be construed to supersede section 7(i) of the Export Administration Act of 1979 (50 U.S.C. App. 2406(i)).

(g) PRESIDENTIAL AUTHORITY.—The President is authorized, after suitable notice and a public comment period of not less than 120 days, to suspend the provisions of this section if a panel of experts has reported to the Contracting Parties to the General Agreement on Tariffs and Trade, or a ruling issued under the formal dispute settlement proceeding provided under any other trade agreement finds, that the provisions of this section are in violation of, or inconsistent with, United States obligations under that trade agreement.

(h) REMOVAL OR MODIFICATIONS OF STATE RESTRICTIONS.—Based upon a determination that it is in the national economic interest, the President may remove or modify any prohibition on exports from public lands in a State if that State petitions the President to remove or modify such prohibition.

(i) EFFECT OF PRIOR FEDERAL LAW.—No provision of Federal law which imposes requirements with respect to the generation of revenue from State timberlands and was enacted before the enactment of this Act shall be construed to invalidate, supersede, or oth-

erwise affect any action of a State or political subdivision of a State pursuant to this title.

(j) **SURPLUS TIMBER.**—The prohibitions on exports contained in orders of the Secretary of Commerce issued under subsection (a) shall not apply to specific quantities of grades and species of unprocessed timber originating from public lands which the Secretary concerned determines by rule to be surplus to the needs of timber manufacturing facilities in the United States. Any such determination may, by rule, be withdrawn by the Secretary concerned if the Secretary determines that the affected timber is no longer surplus to the needs of timber manufacturing facilities in the United States.

(k) **SUSPENSION OF PROHIBITIONS.**—Notwithstanding any other provision of this section, beginning on January 1, 1998, and annually thereafter, if the President finds, upon review of the purposes and implementation of this title, that the prohibitions on exports required by subsection (a) no longer promote the purposes of this title, then the President may suspend such prohibitions, except that such suspension shall not take effect until 90 days after the President notifies the Congress of such finding.

(l) **EXISTING AUTHORITY NOT AFFECTED.**—Nothing in this title shall be construed to limit the authority of the President or the United States Trade Representative to take action authorized by law to respond appropriately to any measures taken by a foreign government in connection with this title.

SEC. 492. [16 U.S.C. 620d] MONITORING AND ENFORCEMENT.

(a) **MONITORING AND REPORTS.**—In accordance with regulations issued under this section—

(1) each person who acquires, either directly or indirectly, unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States shall report the receipt and disposition of such timber to the Secretary concerned, in such form as such Secretary may by rule prescribe; except that nothing in this paragraph shall be construed to hold any person responsible for the reporting of the disposition of any such timber held by subsequent persons;

(2) each person who transfers to another person unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States shall, before completing such transfer—

(A) provide to such other person a written notice, in such form as the Secretary concerned may prescribe, which shall identify the Federal origin of such timber;

(B) receive from such other person a written acknowledgment of such notice and a written agreement that such other person will comply with the requirements of this title, in such form as the Secretary concerned may prescribe; and

(C) provide to the Secretary concerned copies of all notices, acknowledgments, and agreements referred to in subparagraphs (A) and (B);

(3) each person who acquires, either directly or indirectly, unprocessed timber originating from public lands in a State

that is subject to an order issued by the Secretary of Commerce under section 491(a), other than a State that is administering and enforcing a program under section 491(d), shall report the receipt and disposition of the timber to the Secretary of Commerce, in such form as the Secretary may by rule prescribe, except that nothing in this paragraph shall be construed to hold any person responsible for reporting the disposition of any timber held by subsequent persons; and

(4) each person who transfers to another person unprocessed timber originating from public lands in a State that is subject to an order issued by the Secretary of Commerce under section 491(a), other than a State that is administering and enforcing a program under section 491(d), shall, before completing the transfer—

(A) provide to such other person a written notice, in such form as the Secretary of Commerce may prescribe, that shall identify the public lands from which the timber originated; and

(B) receive from such other person—

(i) a written acknowledgment of the notice, and

(ii) a written agreement that the recipient of the timber will comply with the requirements of this title, in such form as the Secretary of Commerce may prescribe; and

(C) provide to the Secretary of Commerce copies of all notices, acknowledgments, and agreements referred to in subparagraphs (A) and (B).

(b) REPORT TO CONGRESS.—Using the information gathered under subsection (a), the Secretaries of Agriculture and Interior shall, not later than June 1, 1995, submit to the Congress a report on the disposition of unprocessed timber harvested from Federal lands west of the 100th meridian in the contiguous 48 States, and recommendations concerning the practice of indirect substitution of such timber for exported timber harvested from private lands. Specifically, such report shall—

(1) analyze the effects of indirect substitution on market efficiency;

(2) analyze the effects of indirect substitution on domestic log supply;

(3) offer any recommendations that the Secretaries consider necessary for specific statutory or regulatory changes regarding indirect substitution;

(4) provide summaries of the data collected;

(5) analyze the effects of the provisions of section 490(b)(2)(C); and

(6) provide such other information as the Secretaries consider appropriate.

(c) CIVIL PENALTIES FOR VIOLATION.—

(1) EXPORTS.—(A) If the Secretary concerned finds, on the record and after an opportunity for a hearing, that a person, with willful disregard for the prohibition contained in this title against exporting Federal timber, exported or caused to be exported unprocessed timber originating from Federal lands in violation of this title, such Secretary may assess against such

person a civil penalty of not more than \$500,000 for each violation, or 3 times the gross value of the unprocessed timber involved in the violation, whichever amount is greater.

(B)(i) Subject to clause (ii), if the Secretary of Commerce finds, on the record and after an opportunity for a hearing, that a person, with willful disregard for the restrictions contained in an order of the Secretary under section 491(a) on exports of unprocessed timber from public lands, exported or caused to be exported unprocessed timber originating from public lands in violation of such order, the Secretary may assess against such person a civil penalty of not more than \$500,000 for each violation, or 3 times the gross value of the unprocessed timber involved in the violation, whichever amount is greater.

(ii) Clause (i) shall not apply with respect to exports of unprocessed timber originating from public lands in a State that is administering and enforcing a program under section 491(d).

(2) OTHER VIOLATIONS.—(A) If the Secretary concerned finds, on the record and after an opportunity for a hearing, that a person has violated any provision of this title or any regulation issued under this title relating to lands which they administer (notwithstanding that such violation may not have caused the export of unprocessed Federal timber in violation of this title), such Secretary may—

(i) assess against such person a civil penalty of not more than \$75,000 for each violation if the Secretary determines that the person committed such violation in disregard of such provision or regulation;

(ii) assess against such person a civil penalty of not more than \$50,000 for each violation if the Secretary determines that the person should have known that the action constituted a violation; or

(iii) assess against such person a civil penalty of not more than \$500,000 if the Secretary determines that the person committed such violation willfully.

(B)(i) Subject to clause (ii), if the Secretary of Commerce finds, on the record and after an opportunity for a hearing, that a person has violated, on or after June 1, 1993, any provision of this title or any regulation issued under this title relating to the export of unprocessed timber originating from public lands (whether or not the violation caused the export of unprocessed timber from public lands in violation of this title), the Secretary may assess against such person a civil penalty to the same extent as the Secretary concerned may impose a penalty under clause (i), (ii), or (iii) of subparagraph (A).

(ii) Clause (i) shall not apply with respect to unprocessed timber originating from public lands in a State that is administering and enforcing a program under section 491(d).

(3) PENALTIES NOT EXCLUSIVE; JUDICIAL REVIEW.—A penalty assessed under this subsection shall not be exclusive of any other penalty provided by law and shall be subject to review in an appropriate United States district court.

(d) ADMINISTRATIVE REMEDIES.—

(1) DEBARMENT.—The head of the appropriate Federal department or agency under this title may debar any person who violates this title, or any regulation or contract issued under this title, from entering into any contract for the purchase of unprocessed timber from Federal lands for a period of not more than 5 years.
